

Type FWE24 Wheelie Bin Tipper

The type FWE24 Wheelie Bin Tipper has been designed for emptying standard 240 litre plastic bins. The Bin is secured in the cradle by a Safety Chain allowing the bin to be lifted/transported about the workplace and emptied. The tipping operation is simple and safe with the operator never having to leave his seat and using a draw chord to activate the tipping action.

Standard finish on all Wheelie Bin Tipper is painted enamel, Colour: Mandarin X14
