H (mm)	2230
M (mm)	995
P (mm)	2475
R (mm)	4050
S (mm)	4850

P36.10 Load Chart - Standard forks

The Merlo Panoramic P36.10 is designed for exactly what is needed on site, a tough reliable tool, easy to use and versatile. The Merlo design gives the advantage of bigger performance in a smaller lighter machine with added flexibility. For added productivity, a large range of optional attachments including buckets, crane hooks, winches, jibs and man platforms add to the versatility of the P36.10. The standard hydraulic quick attach fork carriage allows attachments to be quickly changed using controls in the cab. The Boom side shift and frame levelling provide greater control. The Merlo P36.10 can move 3600 kg up to 9.6m height and travel up to 40 km/h, with the extra benefits of a full size comfort cab. The 3 mode steering adds to the ease of operation. You benefit from easy to use versatile equipment, an increase in efficiency and productivity, and the safest telehandler with 50 years of specialist experience.
